“Asia Pacific’s #1 Wealth Consultant Live In Toronto”

Roger Hamilton appearing live alongside Raymond Aaron, Andrew Cocks and Shy Kurtz at ‘Toronto Wealth Event’ on 12th July

Singapore (5 July 2007): Roger Hamilton, the world-renowned speaker in wealth creation, best-selling author, and founder of the XL Group (the world’s largest network of social entrepreneurs, educators and leaders), will appear live in Toronto for the first time at the Paradise Banquet and Convention Centre on July 12th.

Roger will appear alongside an impressive speaker line-up that includes

- Chicken Soup Author **Raymond Aaron**
- Canada’s #1 Internet Marketing Consultant **Andrew Cocks**
- Tax Specialist **Shy Kurtz**

Roger Hamilton and the XL Group, the company that he founded five years ago, are driven by the concept of World Wide Wealth: empowering social enterprise and global change by increasing our collective ability to create and contribute wealth. This subject will form a key part of Roger’s key note address.

Born in Hong Kong and educated at Trinity College, Cambridge University, Roger became an entrepreneur soon after completing his studies, experiencing many failures before achieving success. He now owns and runs businesses in publishing, property, financing, franchising, event management, resort management, training, coaching, technology, membership, retail and education. For the last seven years he has traveled throughout the World, conducting events and workshops to over 500,000 entrepreneurs in 18 countries.

Roger believes that we learn from our mistakes, and he has made plenty of them! He has made and lost millions on numerous occasions. In fact, he calculates that he lost over \$130 million in mistakes in the first ten years of his entrepreneurial career. He views this education as being a lot more valuable (and expensive) than his university education, and he is now reaping the rewards from it. He became a self-made millionaire in his late 20s and achieved financial freedom by the age of 30. He has lived in the UK and US and moved to Singapore to launch his first Asian business during the 1997 Asian Crisis. He now specialises in building new businesses in Asia as a serial entrepreneur, so speaks from experience in his wealth consulting. Roger now lives with his family on the island of Bali in Indonesia.

The XL Group will also be sponsoring a cocktail reception to be held after the 'Toronto Wealth Event' at 5.30pm. Roger is in Canada as part of a major tour of the Americas that also includes appearances in Mexico and the US.

Event details: Thursday July 12th 9.00am-5.30pm – followed by XL Results Foundation Cocktail Reception. Paradise Banquet & Convention Centre, 7601 Jane Street, Concord, Ontario, L4K 1X2
